EXPERIENCE THE BENEFITS OF A HEAVENLY SPA BY WESTIN™

SPA HELANI

A Heavenly Spa by Westin™ provides authentic and memorable experiences inspired by our island home. We believe that much of the value of the spa experience comes not only from the facilities, treatments and products, but from having the time and space for silence, separation from technology and personal reflection and contemplation. Throughout the spa experience, we strive to engage each guest across seven senses: the five physical senses of sight, sound, touch, taste and scent, as well as the psychological senses of emotion and meaning.
